

Dear Brother or Sister in Christ,

Thank you for your interest in Fifty5five and the children's services we offer to Christian ministries in the United States. We know that you probably have specific questions, but we ask that you review this page first, since most of your questions will be answered in the following paragraphs.

Fifty5five is a non-profit organization that provides Children's Ministry teacher training for evangelical Christian ministries in the United States and around the world. Fifty5five is a network of volunteers who donate their time and talents to this very important ministry.

Donations to Fifty5five are encouraged to help with the expenses involved in conducting the Teacher Training workshops. Any donations received over the amount needed to cover costs associated with your workshop will be applied directly to Fifty5five workshops being conducted in developing countries.

The following project application will help us determine the types of training you are requesting and the number of teachers we can expect. Please take time to prayerfully answer all questions that apply. Your answers will help Fifty5five prepare the best possible team of volunteers and supplies necessary to train your teachers.

Please let me know if you have any questions. You may communicate with me by email at info@fifty5five.com. I look forward to the possibility of furthering the Kingdom of God and serving the Lord with you!

For Christ,
Theresa Cane
President
