Meet Our Director

The Apostle Paul selected Timothy to accompany him in serving so as to mentor him and assure he was the right man for the job. Paul recognized the importance of equipping a successor to carry on the ministry. That same principle is being carried out in Fifty5five. After several years of mentorship and equipping, our Director, Linda McFarland (Most of you know her as Linda Giroux, she was recently wed!), recommended a new appointment of directorship to Theresa Cane. The two ladies continue to work side by side to further the gospel of Jesus Christ.

Who We Are

The mission of Fifty5five is to teach Christian adults throughout the world how to present the love of Jesus Christ to children by providing the tools to create and conduct a thriving children's ministry. In many of the world's developing countries children are second class citizens. Providing services to children is a new approach for many of them. Our main objective is to provide children in impoverished nations with an opportunity to clearly hear, understand and respond to the Gospel of Jesus Christ.

Our teams go in and provide workshops on story telling, memory verses, costumes, worship, crafts, and discipline. The goal is to train up in-country trainers to continue on the work of training others. We see the training as a foundational piece of our calling — so the work of the Lord can continue long after Fifty5five has left.
